The MAC is composed of appointed community members whose purpose is to advise the Board of Supervisors about activities and problems of the area represented. Residents are encouraged to attend and talk about issues important to them. More info at www.placer.ca.gov/bos/mac. Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in public meeting. If you require disability-related modifications or accommodations, including auxiliary aid or services, to attend or participate in this meeting, please contact the Board of Supervisor's Office.

Creek Sewer. Sewer user fees in this area have not been increased since July 1, 2007 and the proposed increase is being requested to help ensure continued delivery of efficient, reliable, quality sewer services. Staff anticipates requesting that the current fee of \$38.14 per single family residence be increased by 4% per year for the next two years.

Presenter: Dave Atkinson, Utility Program Manager (10 minutes)

C. Dry Creek Greenway West Multi-Use Trail DRAFT Planning and Feasibility Study: The project consultant will provide information on the Dry Creek Greenway West Multi-Use Trail DRAFT Planning and Feasibility Study and the proposed trail alignment. The project is part of the Greater Dry Creek Parkway trail system and would create connections to existing local trails in the greater Roseville area and provide future regional connections to existing trail systems including the American River Parkway. Future implementation of this project would be done as a collaborative effort between the City of Roseville, Placer County, and the Placer County Transportation Planning Agency.

Presenters: Andy Fisher, Parks Administrator, Parks Division and Liz Diamond, Dokken Engineering (25 minutes)
