### INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

**Placer County Clerk-Recorder-Elections Office  
Auburn, California**

We have performed agreed-upon procedures, which were agreed to by the Placer County Clerk-Recorder-Elections Office (Recorder's Office), solely to assist the Recorder's Office to ensure their compliance with the requirements of the State of California for the Social Security Number Truncation Program, for the period beginning November 1, 2013 through September 30, 2017. Management of the Recorder's Office is responsible for compliance with the requirements of the State of California. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The agreed-upon procedures performed along with our results are attached.

We were not engaged to, and did not conduct an audit, the objective of which would be the expression of an opinion on the Recorder's Office compliance with the requirements of the State of California. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management of the Recorder's Office and the Board of Supervisors and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully,

Nicole C. Howard, CPA  
Assistant Auditor-Controller
