### **2020 FARM LABOR CONTRACTOR REGISTRATION REQUIREMENTS**

1. Pursuant to Section 1695 of the Labor Code every Farm Labor Contractor licensed in the state of California shall:
  - A. Register with the Agricultural Commissioner of the county or counties in which the labor contractor has contracted with a grower.
  - B. Carry his or her license and proof of registration with him or her at all times and exhibit the same to all persons with whom he or she intends to deal in his or her capacity as a farm labor contractor prior to so dealing.
  - C. File with the Agricultural Commissioner of the county or counties in which the labor contractor has contracted with a grower, a correct change of address immediately upon each occasion the licensee permanently moves his or her address.
2. Pursuant to Section 12980 of the Food and Agricultural Code safe working conditions shall be provided for farmworkers that work in or about pesticide-treated areas.
3. Pursuant to Section 6618 of the California Code of Regulations prior to any pesticide application, a property operator shall give notice to any licensed labor contractor hired by the operator that may have employees on or within ¼-mile of the field during the pesticide application or the restricted entry interval. Such notice must then be given to the contractor's employees. The notice shall include: location and description of the treated area; time during which entry is restricted; and instructions not to enter the treated field until the restricted entry interval has expired.
4. Pursuant to Section 6761 of the California Code of Regulations each employer shall display a completed PSIS A-9 (Hazard Communication Information, attached) at the worksite and all permanent decontamination facilities and decontamination facilities servicing 11 or more fieldworkers whenever field workers are working in a treated field. The labor contractor shall be informed and inform his or her employees as to the location and availability of pesticide use records and appropriate Safety Data Sheets, for the fields they are to enter. (See attached copy of PR-ENF-103 "Field Worker Safety Inspection Report.")
5. Pursuant to Section 6761.1 of the California Code of Regulations application specific information shall be made available by the property operator to any employee who will be working in or within ¼-mile of a treated field. The labor contractor shall inform his or her employees as to the location and availability of such information.
